IN MEMORY OF KWAKU BASSINGE

We all, at GSHT will miss you

Dear grieving family

We are all stunned that our dear friend and great partner in the HTU and GSHT team has been torn from our midst so suddenly and unexpectedly. Kwaku has been an outstanding member of the HTU team for many years. We will miss his calm, lovable manner, his great technical knowledge coupled with his selfless willingness to help.

We will keep him in honorable memory for all time.

We express our sincere condolences on the farewell of your dear Kwaku and dear father. We wish you and your families all the strength you need to cope with this painful loss.

On behalf of all the members of GSHT

Heartfelt regards
